

MAKING A DIFFERENCE IN THIS WORLD

Congratulations to Jenah Janz, a senior at Drury High School in North Adams, MA and the student representative to the Haiti Plunge Board of Directors. Jenah will be making her third trip to Haiti in August. Recently she was the recipient of the St. Peter's Health Partners "13 Kids Who Care" award that honors youth for their service in the Capitol Region. Jenah is the first student from Massachusetts to receive this award that also offers a \$4,000 scholarship. She will be attending Salem State University next year. Not only was Jenah involved with the Haiti Plunge but also spent many years in Girl Scouts and is presently a troop leader. For many years she volunteered at the Susan B. Anthony Museum. She is also a member of the Drury High School Band and an active member of her church, St. John Paul II. Jenah has also managed to maintain honor grades in school. Her dream is to become a doctor and practice medicine in a developing country. HPI is very proud of Jenah, who by her example, has shown that young people can make a difference in this world.

First Annual Haitian Mardi Gras was a Huge Success

Reme and Iles, two young men from our villages prepare the chicken creole.

Who would have guessed that the greatest hit of the night was the pumokin soup. Many had 3 & 4 bowls. The rest of the menu was all Haitian: rice & beans, fried plantains, chicken creole and of course piklis (a hot food garnish) which resembles cole slaw. The Seamless team members made sure that plates were always filled.

A most enjoyable evening was had by all.

1st QUARTER MAJOR DONORS

St. John Paul II Parish	Drive Band Studio	John DeRosa, LLP	Don & Donna Rochelo	Brian Payne
Dorothy McCarhy	Margaret Downing	Henry Beckwith	Donna & John Quallen	Louis Mutty
